Title: a book

Author: Eowynne

Farmers fare well but
only just. The onions
failed. they need gold
Rangers remain faithful
but a little recognition by
the crown would be
welcome

Miners:

Mount Kendalls wealth
seems undending unlike the
health of those who wor
work to free their riches
needed an ale!

sailors say the waters be
teemin' with pirates,he
was shipwrecked for a
week! Wilson was his
namev132s 18west he
needs a way off the
island

The mages d
divined that reps of the
crown grace them with
their presence on Verity
Island. The council of
mages fare just fine
without interference from
the mainland, the constant
inspections under the
guise of fact finding
make one think we are
not trusted said Elyes
the mage. "Put that in
your report" but then
he smiled :)
